

## INDEPENDENCE DAY

Today the tricolor is hoisted with its full glory.  
We got freedom from the sacrifice of  
brave martyrs.

We had a long fight for freedom  
Millions of people had paid the price with their lives.  
Came as a merchant and ruled us by deceit,  
We had adopted the policy of fighting among  
ourselves, we found our pride,  
with our self respect.

We got freedom from the sacrifice of brave martyrs.

This is the beloved Country of  
Gandhi, Tilak, Subash and Jhakar.  
The message of live and let live.  
We got freedom from the sacrifices of  
brave martyrs.

We got so much affection from our motherland,  
There is this small world in the shadow of his lap.  
We are never in front of violence, will bow down  
tread. To be honest, the whole world  
is our family.

Winds of world peace from India.  
We got freedom from the brave martyrs.
